

Introductions

Joe announced election and the 4 open positions. We need volunteers to help with the election. Ken, Manny and Shawndra are running.

Diane presented minutes. They were approved.

Treasurer's Report, Judy announced balance of 67K

Judy announced info from the insurance agent discussion and our decision to add the umbrella policy. Joe said it looks like the only adjustment to our budget will be the \$666.00 for that.

Project Updates: Joe said John will paint the stairs yellow on July 25th and finish in a week.

Renee announced we had quotes for painting the inside of the clubhouse and the ceiling will be demolded. She also mentioned the flooring project plans are still ongoing...

Renee announced the magnets.

Joe: future projects may include packing a couple of jetties with boulders while the water level is low. Neil Whiteley asked about a T-groin project. Joe said he would talk to Manny about it, but we have to look into the legalities with EGLE and the DNR. But now's a good time to get a permit.

Mike Watson suggested one of our board members could meet with Lexington Heights Board about the farm pesticide runoffs that ruin vegetation at the creek, which causes more erosion.

Mary Black stated people can look on the Lex Hts. Website to see their minutes about the subject. Renee asked what the grant money would do. He said it would be used for environmental cleanup and improvements.

Shawndra mentioned the dog beach looks like it's working. If you see someone bringing their dog down, you can redirect them.

Boni mention the Christmas in July Luncheon and Election and the white elephant.

A member stated that the grasscutter is still using weedkiller instead of a weedwhacker, nor is he trimming the weeds at the bluff edge sufficiently.

Meeting adjourned @ 11:26
